RE: Declaration of Exemption on White Rocks Property

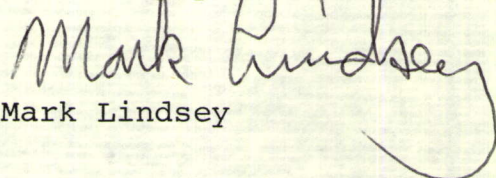

Dear Tom:

Please find enclosed a photograph of the WhiteRocks property. The quarry itself is approximately two acres or less.

We will be mining 2,000 tons off of the existing quarry site. Access roads and loadout areas already exist. Equipment used in the mining operation will involve a Caterpillar D8 with ripper and a frontend loader. The operations will commence on Monday, October 5, 1981 and continue for approximately two weeks.

Should you have any questions concerning the mining operations, please contact me at the above number.

Sincerely yours,

Mark Lindsey
